

CLASS of

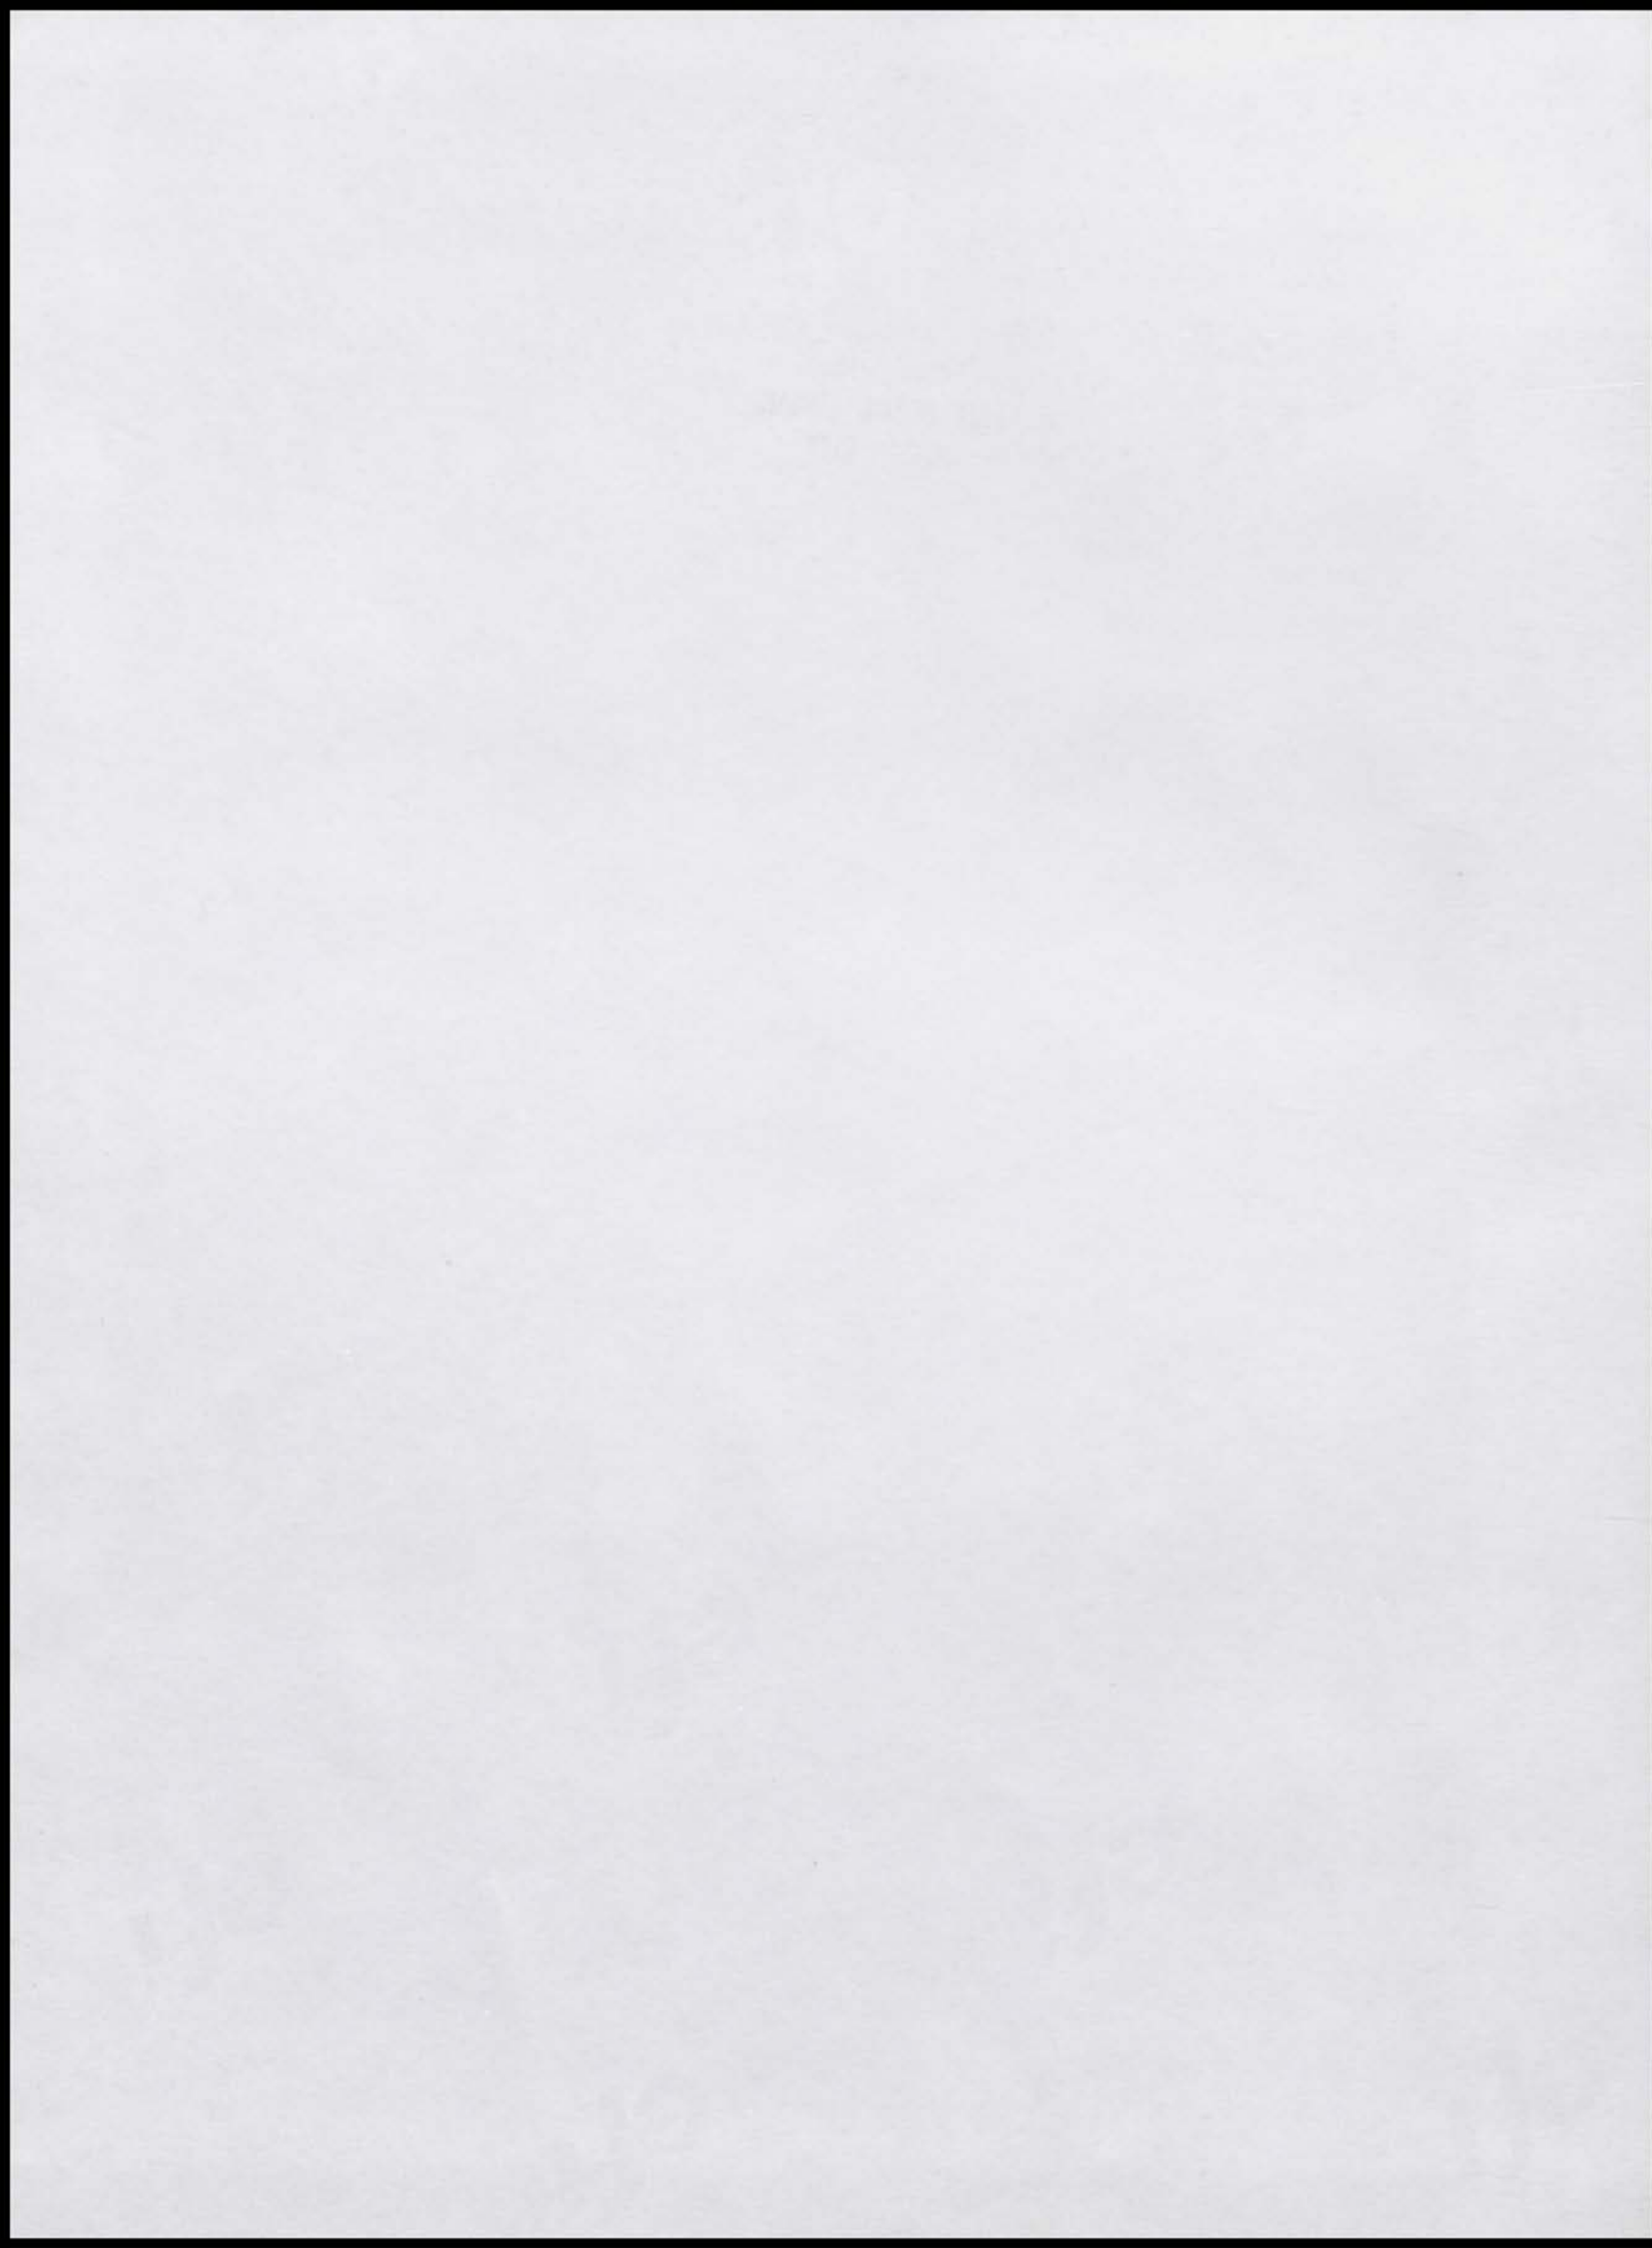

2003

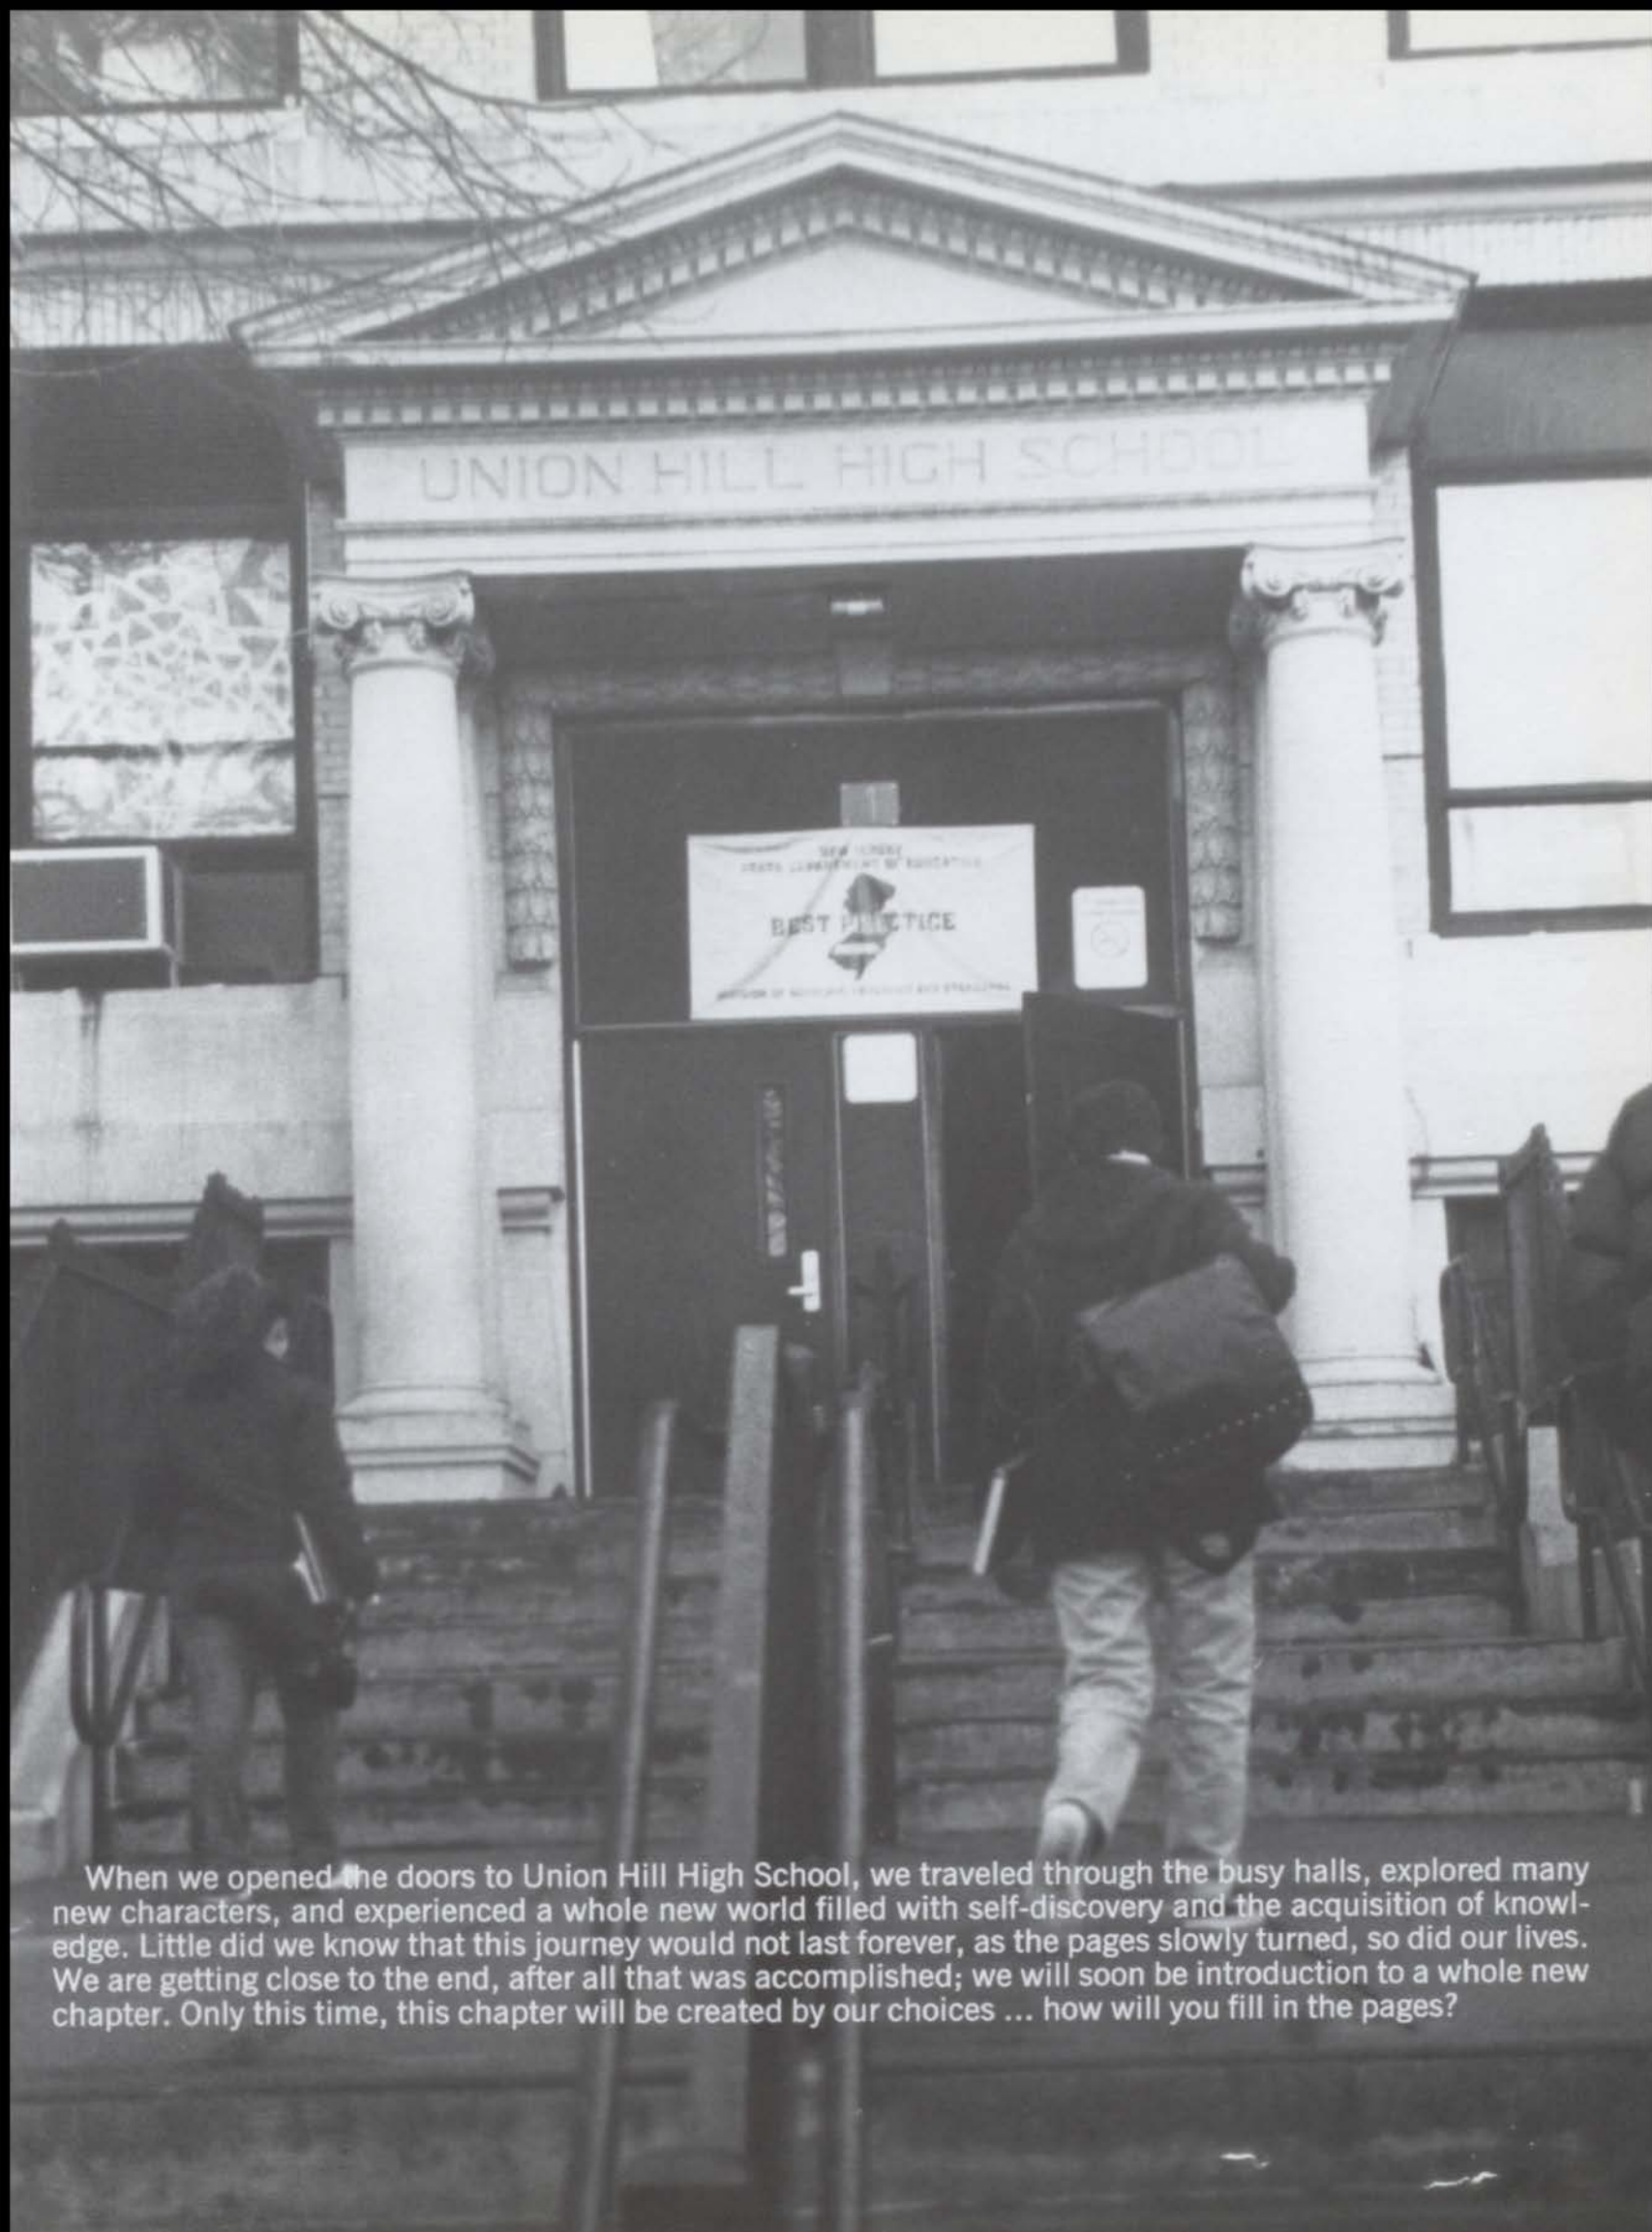

Home of the HOLLANDS

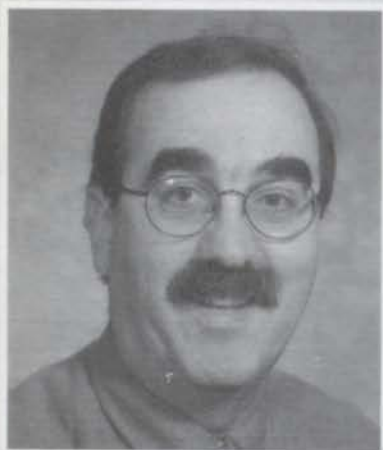

When we opened the doors to Union Hill High School, we traveled through the busy halls, explored many new characters, and experienced a whole new world filled with self-discovery and the acquisition of knowledge. Little did we know that this journey would not last forever, as the pages slowly turned, so did our lives. We are getting close to the end, after all that was accomplished; we will soon be introduction to a whole new chapter. Only this time, this chapter will be created by our choices ... how will you fill in the pages?

K. Such

As you prepare to take the next step on your road to success, I hope you will be able to draw upon your accomplishments and experiences at Union Hill to guide you as you make life-impacting decisions. You will be required to make some very important choices keeping in mind that each one will have its own consequence. You may physically leave the hallways of Union Hill but there will always be people here to offer guidance and support to assist you with all future endeavors.

The Class of 2003 has achieved high academic accomplishments, provided leadership to our school and donated many hours to civic projects. You have exhibited a deep sense of pride in your school and community along with respect for yourself and your surroundings. May you pursue your future with the same enthusiasm that you have displayed at Union Hill.

Congratulations and may success continue to follow you throughout the various stages of your life. As a member of the "Union Hill Family" you will always be part of the pride and tradition of the "Hill".

IN MEMORY OF ...

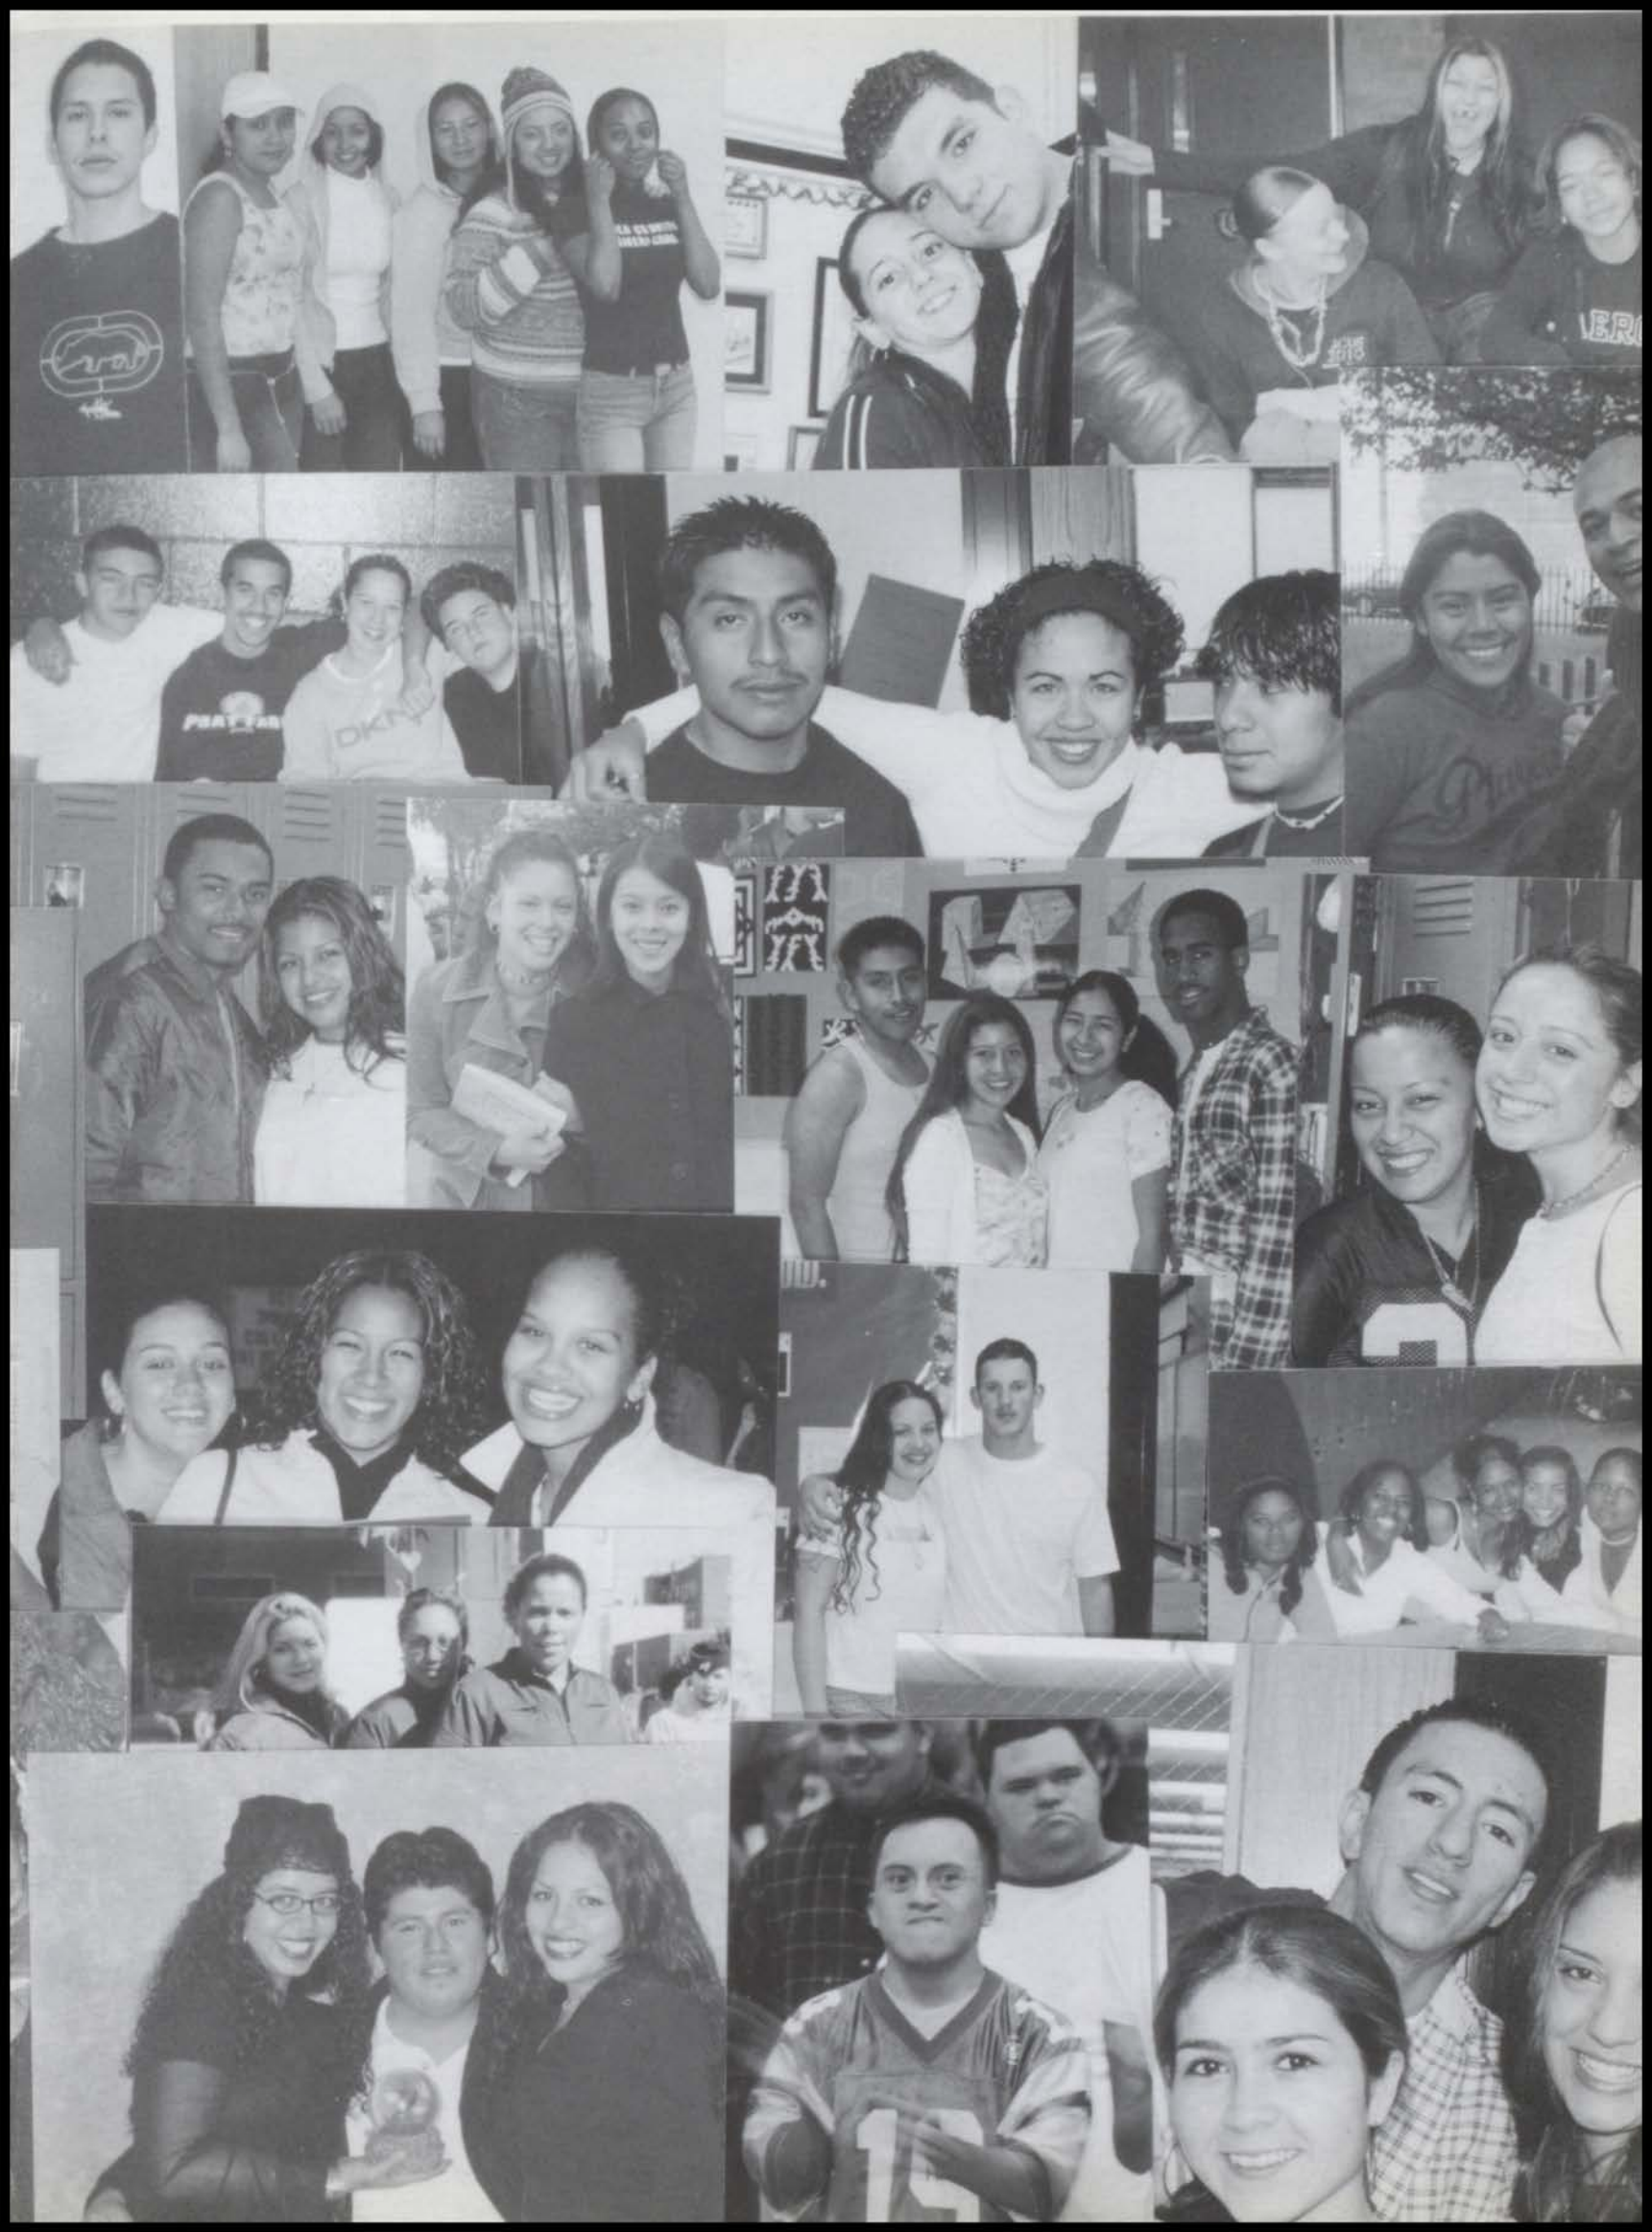

Karla Hernandez

We are often left wondering why do our loved ones depart from this world. We search for that individual that can imprint a piece of themselves in our hearts. For those that knew Karla, knew that she was sent from heaven to touch those who needed guidance. An angel from the sky and a gift from God. She fully understood the value of life and enjoyed every second of her life. She will truly be missed and the innocence she kept with the world will truly be treasured.
